GEORGIA STATUTORY SHORT FORM
DURABLE POWER OF ATTORNEY
FOR HEALTH CARE

NOTICE:
The purpose of this power of attorney is to give the person you designate (your agent) broad powers to make health care decisions for you, including power to require, consent to, or withdraw any type of personal care or medical treatment for any physical or mental condition and to admit to or discharge you from any hospital, home or other institutions; but not including psychosurgery, sterilization, or involuntary hospitalization or treatment covered by Title 37 of the official code of Georgia annotated.

This form does not impose a duty on your agent to exercise granted powers; but, when a power is exercised, your agent will have to use due care to act for your benefit and in accordance with this form. A court can take away the powers of your agent if it finds the agent is not acting properly.

You may name co-agents and successor agents under this form, but you may not name a health care provider who may be directly or indirectly involved in rendering health care to you under this power. Unless you expressly limit the duration of this power in the manner provided below or until you revoke this power or a court acting on your behalf terminates it, your agent may exercise the powers given in the power throughout your lifetime, even after you become disabled, incapacitated, or incompetent.

The powers you give your agent, your right to revoke those powers, and the penalties for violating the law are explained more fully in Code Sections 31-36-6, 31-36-9, and 31-36-10 of the Georgia “Durable Power of Attorney for Health Care Act” which this form is a part. That act expressly permits the use of any different form of power of attorney you may desire. If there is anything about this form that you do not understand, you should ask a lawyer to explain it to you.
